33 EXPLANATION

34 This bill addresses supplier-dealership agreements under
35 Code chapter 322F, involving franchises for agricultural

1 equipment; all-terrain vehicles; and construction, industrial,
2 or utility equipment. Generally the Code chapter regulates
3 business relationships between dealerships and suppliers
4 by providing for the terms and conditions of dealership
5 agreements. Code section 322F.7 includes a list of supplier
6 violations and Code section 322F.8 provides a list of causes
7 for a supplier's liability, including for damages sustained
8 by a dealer as a consequence of a supplier's violation of the
9 Code chapter. The bill expressly provides that a violation of
10 the Code chapter and grounds for civil liability include the
11 cancellation of a dealership agreement without good cause (see
12 Code section 322F.1(7)) if the supplier fails to make payment
13 or credit the account of the dealer.
